SUMMER VACATION HOMEWORK

CLASS - 2

"Maximizing Your Vacation"

Dear Students, Vacation time offers a wonderful chance to discover our diverse interests and engage wholeheartedly in a range of activities that enhance our growth. Let's optimize this precious period by diving into our preferred story books, spending time in nature, taking a break from screens, reconnecting with family, fortifying relationships with loved ones, refreshing ourselves with physical activity, and setting aside time for self-care.

Let's Root for the 3 R's:

Subject: Mathematics

1. Shape Collage:

- Cut out different shapes (circle, square, triangle, rectangle) from colored paper and create a picture by gluing them onto a large sheet of paper. Label each shape.

2. Toy Measurement:

- Task: Use a ruler to measure the length of five of your favorite toys. Write down the measurements.

3. Grocery Math:

- Help parent with grocery shopping. Find 10 items and write down their prices. Practice adding the prices to find the total cost.

4. Pattern Necklace:

- Use beads or colored pasta to create a necklace with a repeating pattern (e.g., red, blue, red, blue). Take a picture or draw your necklace.

Subject: English

1. Picture Journal:

- Keep a picture journal of your summer vacation. Draw a picture of something you did each day and write a sentence about it.

2. Creating Conversation:

- Create a conversation between your favorite cartoon character. You can use speech bubbles cut out from paper.

3. Rhyming Words List:

- Create a list of rhyming words. Choose a word like "bat" and find as many rhyming words as you can (e.g., hat, cat, mat). Draw pictures to match.

4. Story Sequencing:

- Cut out pictures from an old magazine and create a simple story by arranging the pictures in order. Write a sentence for each picture.

5. Favorite Book Character:

- Draw a picture of your favorite character from a book you read. Write a few sentences describing why you like this character.
